

MASONRY & BUILDING TECHNOLOGY

INSTRUCTOR BIOGRAPHY

Mr. Joshua Wallace

Mr. Wallace was born and raised in Clearfield County. He attended Clearfield Area High School and the Clearfield County Career and Technology Center where he graduated from the masonry program in spring of 2004. In the spring of 2005, he joined the Bricklayers Allied Craftworkers Union. While a member of the bricklayers union, he contributed to many multi-million dollar projects on the campus of Penn State, Clearfield School District, Clarion University and many other schools and businesses. Mr. Wallace began teaching at CPI in the fall of 2014.

A Quote from Mr. Joshua Wallace

"I look forward to passing my trade experience on to students eager to learn from them."

FUN FACTS ABOUT MR. WALLACE

Mr. Wallace loves to hunt and fish.

His favorite TV show is Duck Dynasty.

Mr. Wallace's life goal is to someday own a house on the coast of the Outer Banks.

MASONRY & BUILDING TECHNOLOGY

OUTSIDE CLASSROOM WORK & THINGS YOU'LL NEED

Things you'll need:

- Good work ethic
- Enthusiasm to learn the trade
- Work Boots
- Jeans
- Safety Glasses
- CPI Uniform

Outside Classroom Work:

Rarely ever is homework assigned, but the Masonry program at CPI has the unique opportunity to provide students with on-the-job training through community service projects outside of the classroom.

The students gain valuable real-world experiences that prepare them to enter the workforce.

Past projects have included:

- Bellefonte Teener League Fields
- Seven Mountains Boy Scout Camp
- Tyrone Historical Museum
- Centre County Public Safety Training Center
- Jacksonville Park
- Walker Township Municipal Building

MASONRY & BUILDING TECHNOLOGY

certifications

Available Certifications:

Pennsylvania Builders Association Certificate

Students who complete the program and score advanced on the end of program assessment (NOCTI) will have their names added to the Pennsylvania Builders Association website for employers seeking highly skilled employees.

Student Cost: Free

Occupational Safety and Health Administration

10 Hour Safety Card - Students who are enrolled in the Masonry program have the opportunity to obtain a 10 hour OSHA safety training card. OSHA training helps to ensure that workers are more knowledgeable about workplace hazards and their rights, and contribute to our nation's productivity.

Student Cost: \$5.00
